Maryland State USBC Youth Star of Tomorrow Scholarship & Award

FOR MERITORIOUS SERVICE

The Maryland State USBC acknowledges the importance of youth to the future of the sport of tenpin bowling. To that end, it is our pleasure to offer the Maryland State USBC Youth Star of Tomorrow program, recognizing youth bowlers both on and off the lanes. A family member, friend, or coach may nominate bowlers, or they may self-nominate. Nomination forms are enclosed and there is a separate form for the Superior Performance and Meritorious Service categories.

A bowler may only win once per lifetime, regardless of category. This program offers up to three awards per year:

Superior Performance – Male
Superior Performance – Female
Meritorious Service (not gender specific)

In order to be nominated, bowlers must meet these criteria:

- Must be a USBC Youth member in good standing, age 15+ as of August 1, 2014.
- Must be a current member of the Maryland State USBC Association
- Must have been a member of the Maryland State USBC Association for the previous 3 years.

A completed and signed Nomination Form must be postmarked by May 15th. All supporting documentation should be attached to the form at the time of submission. Supporting documentation may include copies of certifications and awards, letters of recommendation, etc.

Winners will be selected at the summer meeting of the USBC Youth Committee. Only the person nominating the winner will be notified. At that time, a biography and photograph will be requested for inclusion in the Hall of Fame Banquet program.

Packets should be submitted to: Evelyn Testerman
117 Bayscape Drive
Perryville, MD 21903

MERITORIOUS SERVICE NOMINATION

This award is intended for youth bowlers who excel off the lanes. Service to bowling through volunteering at events, serving as a league officer, serving as a youth representative to local and state associations, coaching, and dedication to the sport of bowling and its participants is considered. Performance on the lanes will not be considered.

Contact information should be listed for verification purposes whenever possible.
Additional documentation, such as copies of certifications and letters of recommendation, should be submitted at the same time as the nomination form. Please be sure to include the nominee's name on any additional documents in case it becomes separated from the form. Any section may be continued on a separate sheet if additional space is needed.
