

Kathryn E Koontz

Superior Performance

Youth Star of Tomorrow

Kathryn Elizabeth Koontz is 18 years old and the daughter of Ruth and David Koontz of Delaware. Kathryn has two older brothers Michael and Stephan Koontz. She is also one of a set of triplets with her identical twin brothers Thomas and Matthew Koontz who also bowl. Kathryn is a first-year college student attending Delaware Technical Community College in Georgetown, Delaware. Kathryn will be earning an Associate's Degree in Architectural Engineering Technology. She has been bowling at Ocean Lanes in

Ocean City, Maryland as a sanctioned bowler since 2009. Kathryn bowls actively on two leagues. She also has many accomplishments on both the state and local levels.

Kathryn currently bowls on the Monday Youth Adult League and the Saturday Morning Junior league. Kathryn has a few house accomplishments that are very honorable. She has earned Ocean Lane's MVP girls youth on 3/23/2017 and 3/24/2018. She also earned the Brandon Richardson Youth Excellence Hall of Fame for Youth (Center: Ocean Lanes) on 3/24/2018.

With the Eastern Shore Association, Kathryn has many honorable accomplishments. In the 2016 Youth Championship, she earned fourth in girl's singles and fifth in girl's scratch all events. She also took third place in 2015 and 2016 at the Pepsi Regional advancing to states. In the 2017 Youth Championship, she took first in girl's singles scratch and second in girl's scratch all events. In the 2018 Youth Championship, Kathryn had first in girl's scratch singles and girl's scratch all events. Kathryn also had first in 2017 and 2018 in the Pepsi Regional advancing to state. She also participated in Top Ten three years in a row. She placed eighth in 2016, sixth in 2017, and third in 2018 advancing to the state level.

At the State level, she also has many honorable accomplishments. Kathryn bowled in the state level top ten in which she placed eighth. At Pepsi State, she placed fourth in 2018. Kathryn, bowling in the Maryland Tenpin Council in 2017, placed first in handicap. She also placed first in under 20 girl's singles and first in under 20 girl's all events in the Maryland State USBC Association.

In Kathryn's personal life she graduated with a GPA from Indian River High School on May 29th, 2018. She took all honors math and sciences as well as AP Probability and Statistics. Outside of main courses, Kathryn took four years of both band and Engineering. She participated in the marching band. She played several instruments such as Bass Clarinet, Contra Alto Clarinet, Baritone Saxophone during the marching seasons. During her senior year, Kathryn's engineering senior project was designing the classroom, which involved painting the room with a color that promotes calmness. She also designed the desks. They were built designed with Autocad Inventor. She helped build, sand, and epoxy the desks. Overall Kathryn enjoys building, designing on the computer, bowling and hanging out with the people she cares about.

Where ever her career takes her she will always have bowling to help keep her focused and enjoy life but most importantly she will be able to make the sport of bowling enjoyable for those around her for years to come.
