

Jake Bockstie

Superior Performance

Youth Star of Tomorrow Award

Jake has been bowling since January/2019. He got started in the Saturday morning Jr's at Perry Hall Lanes. Jake went into his first week of bowling not knowing anyone and not knowing what to expect. After he was placed on a team he was off and running.

Jake currently bowls in two sport shot leagues. One is at Ft Meade on Monday nights and the second one is on Friday nights at Greenway. He also still bowls in the Saturday morning Jr's at Perry Hall Lanes. Jake also works at Shot Makers Pro shop at Perry Hall Lanes. Since working there Kevin Mumpower has really assisted Jake in learning the scientific side of bowling. Which has really helped his bowling knowledge on and off the lanes.

During the 2023 calendar year Jake bowled in 3 PBA regionals. In his first PBA regional he was able to make the cut and cash. In his second PBA regional he led qualifying and shot 300. In his third event he led qualifying again and was able to cash.

Back in January Jake had the opportunity to tryout for Jr Team USA in Las Vegas. During team trials on day 3 Jake was able to post the score of 1571 for 6 games (822 for the back 3 games), which is the second highest block in Team USA history. Jake was able to finish 6th overall out of 170 top bowlers in the country. He finished as the 3rd overall amateur and the number 1 youth bowler in the tournament.

Based off his solid performance he landed a spot on Jr Team USA allowing him to be selected top 4 out of 18 bowlers to travel to South Korea to compete in the IBF (International Bowling Federation World Bowling Championship). During this event Jake and his doubles partner (Brandon Bohn) were able to win a silver medal. Also, Jake was able to win another silver medal with his team (Brandon Bohn, Braden Mallasch, Zach Anderson).

Jakes Accomplishments

PJBT's 2 titles

Storm Mid Atlantic Youth Bowlers Tour

8 titles
